SAFETY NOTIFICATION TO WORKERS IN DOWAS-LAND APPARELS LTD.

(Address: Horihar Para, Alaudhin Super market, Panchabati, Fatullah, Narayangonj)

Date: 4th February 2018

The Accord is a legal agreement between international garment brands and unions that represent workers. The purpose of the Accord is to protect the safety of garment workers by inspecting factory buildings, identifying risks to worker safety, and making sure that factory owners eliminate these risks by renovating and repairing the buildings.

The Accord inspected Dowas-Land Apparels Ltd. for fire, electrical and structural safety in the period 31st January 2015 – 15th March 2015 and found a number of problems that could cause serious harm to workers. The Accord has asked Dowas-Land Apparels Ltd. to make changes to eliminate these risks. Unfortunately, Dowas-Land Apparels Ltd. has failed to:

- Remove locking features or render them inoperable from the egress doors/gates. This could result in workers being locked in the factory during a fire or another emergency.
- Complete the installation of fire doors. This could result in workers becoming stuck on the higher floors of the building if there is a fire.
- Complete the installation of a fire alarm system. This could result in workers not being warned that there is a fire.
- Complete fire separation in the relevant areas. This could result in workers becoming stuck on the higher floors of the building if there is a fire.
- Fix the problems with the building structure. This could result in the failure of the structure and injuries to workers.
- Safely install and maintain electrical equipment and fix up electrical wiring. This could create serious electrical hazards in the factory which might lead to fire incidents.

The Accord has made many efforts to get the owners of Dowas-Land Apparels Ltd. to fix these safety hazards, so that workers will be safe, but the owners have refused to do so.

As a result, Dowas-Land Apparels Ltd. is unsafe for workers. Because of this, the brands that have signed the Accord will no longer do business with Dowas-Land Apparels Ltd. and will no longer place any orders at the factory. The Accord wants to make sure that all workers at Dowas-Land Apparels Ltd. are aware that the building is not safe.
