

on Fire and Building Safety in Bangladesh

**SAFETY NOTIFICATION TO WORKERS IN G.S GARMENTS LIMITED**  
(Address : East Isdair, Upazila Road, Chandmari, Fatullah, Narayangonj)

Date: 24 August 2017

The Accord is a legal agreement between international garment brands and unions that represent workers. The purpose of the Accord is to protect the safety of garment workers by inspecting factory buildings, identifying risks to worker safety, and making sure that factory owners eliminate these risks by renovating and repairing the buildings.

The Accord has conducted three inspections of G.S Garments Ltd. in the period 11 -13 March 2015 and found a number of problems that could cause serious harm to workers. The Accord has asked G.S Garments Ltd. to make changes to eliminate these risks. Unfortunately, G.S Garments Ltd. has failed to:

- Remove locking features or render them inoperable from the egress doors/gates. This could result in workers being locked in the factory during a fire or another emergency.
- Remove collapsible gates/sliding doors/rolling shutters. This could be an obstacle for workers during evacuation in case of fire incident or another emergency.
- Install fire doors. This could result in workers becoming stuck on the higher floors of the building if there is a fire.
- Install a fire alarm system. This could result in workers not being warned that there is a fire.
- Complete fire separation in the relevant areas. This could result in workers becoming stuck on the higher floors of the building if there is a fire.

The Accord has made many efforts to get the owners of G.S Garments Ltd. to fix these safety hazards, so that workers will be safe, but the owners have refused to do so.

As a result, G.S Garments Ltd. is unsafe for workers. Because of this, the brands that have signed the Accord will no longer do business with G.S Garments Ltd. and will no longer place any orders at the factory. The Accord wants to make sure that all workers at G.S Garments Ltd. are aware that the building is not safe.

If workers choose not to work at G.S Garments Ltd. because of these safety risks, or if G.S Garments Ltd. closes, the brands that have signed the Accord will make an effort to help workers find jobs at nearby factories that are safe. There is no guarantee that a job will be available, but the brands will try to assist.
